PART I

Proceedings of the Government of His Highness the Maharaja of Mysore, Land Revenue, dated 22nd November 1909.

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

REVIEW PETITION NO. 1 OF 1908-09.

Petitioner	*Vs.*	Counter-petitioner
Venkatagiriappa of Arsikere		Rangegowda

Subject.

Application of Venkatagiriappa for reconsideration of Government Order No. 7576—L. R. 308-08-2, dated 23rd March 1909, rejecting his appeal against the order of the Revenue Commissioner in Mysore, directing the appointment of the counter-petitioner Rangegowda as patel of the Arsikere Kasaba.

Facts of the case.

The petitioner Venkatagiriappa and the counter-petitioner Rangegowda are the hakdar patels of the Arsikere Kasaba and were looking after the pateli duties of this village jointly, the former as Revenue patel and the latter as Police patel. The Revenue Commissioner has directed the appointment of Rangegowda as sole patel on the ground that the petitioner is the son of Dasappa, the shanbhog of the Arsikere Kasaba, and that as such the interests of the father and son are identical. He has further directed that this arrangement should continue till some members of the family of the shanbhog divided in interest could be found for the office and that till then a sum of ten rupees out of the emoluments attached to the office might be paid to the petitioner in recognition of his hak to a share in the pateli hak. It has since been ascertained that the shanbhogi baraward of Kasaba Arsikere has been made in the name of Ramadasappa, petitioner's brother, one Subraya being appointed as gumasta for performing the shanbhogi duties.

Order.

The Revenue Commissioner has not deprived the appellant's family of their right to the pateli office along with another person. He has merely directed that as it is inexpedient that the same person or members of the same undivided family should hold both the shanbhogi and pateli offices of the same place, the other hakdar should do the work exclusively as long as this state of things continues. The petitioner says that a stranger has been appointed as gumasta for the shanbhogi. There is, however, some reason to suspect that this is merely a nominal arrangement brought about to prevent the deprivation of the pateli office.

There is no sufficient reason to revise the order dismissing the petitioner's appeal. But if the appointment of a gumasta is made in a *bona fide* manner, it is open to the Deputy Commissioner to restore the pateli office in his turn to the petitioner. With this remark the petition for revision will be dismissed.

No. R. 3853-61—L. R. 308-08-6, DATED BANGALORE, 22ND NOVEMBER 1909.

Copy of the above is forwarded to (1) the Revenue Commissioner in Mysore for information together with the records received with his letter No. 2935, dated 1st September 1909, (2) the Deputy Commissioners of Districts.

Letter No. C. 16, dated the 27th October 1909, from the Revenue Commissioner in Mysore forwarding copies of his special Report on the Administration of Relief Measures in the State during the year 1908-09.

No. R. 3713-53—AGRI. 58-09-3, DATED BANGALORE, 17TH NOVEMBER 1909.

ORDER THEREON.—In the Dewan's Address to the Representative Assembly of this year, the course of the distress which prevailed over a considerable part of the State in the year 1908-09 has been briefly traced and the various measures taken by or under the orders of Government to deal with the same described. It is unnecessary, therefore, to go over these facts once more in this Order, and the details are also fully set forth in the lucid and comprehensive report of the Revenue Commissioner read above. It only remains to place on record the appreciation of Government for the valuable services rendered by Mr. A. Rangaswami Iyengar, Revenue Commissioner in Mysore, and the Deputy Commissioners of the districts principally affected, *viz.* Kolar, Tumkur and Chitaldrug, and to a smaller extent of the districts of Bangalore and Mysore, where the conditions were less serious, in coping with an anxious situation.

2. Government also note with pleasure the testimony which the Revenue Commissioner bears to the satisfactory manner in which all Sub-Division Officers and Amildars, who had personally to carry out the measures of relief and to watch the situation, did their work, and also the commendation bestowed by him on his Assistants Messrs. K. Subba Rao and T. G. Lakshmana Rao, Assistant Engineer.

Letter No. 7747, dated 30th June 1909, from the Comptroller to Government :—

"I have the honor to solicit the orders of Government in regard to the application of the rule contained in Article 275, Mysore Service Regulations (3rd edition), to the service of school-masters drawing pay less than Rs. 10.

The rule as it stands means that service as school-masters on pay less than Rs. 10 is superior, only if the service is subsequent to 24th August 1892. But the practice of this office has been to treat the whole service of such school-masters as superior, in accordance with the principle contained in Article 2, Mysore Service Regulations, and the phrase 'to have effect from 24th August 1892' has been understood to exclude cases of school-masters who retired before that date.

The Government Order sanctioning the concession to school-masters, *viz.*, Government Order No. 3200—G. F. 68-92, dated 24th August 1892, does not furnish any information on this point. As the practice of this office seems to be against the plain meaning of the rule as it stands, I request that the rule may be cleared of the ambiguity by expunging the words within brackets (' to have effect from date of order, *viz.*, 24th August 1892 ')."

Correspondence ending with letter No. 684—Pen. 96, dated the 3rd August 1909, from the Comptroller on the same subject.

No. FL. 2171—S. & A. 19-09-2, DATED BANGALORE, 1ST NOVEMBER 1909.

ORDER THEREON.—The Government are pleased to direct that the words in question be omitted. The practice which now obtains in regard to the interpretation and application of the rule, is in accordance with Article 2, Mysore Service Regulations.

Proceedings of the Government of His Highness the Maharaja of Mysore, Judicial and Legislative (Police), dated 22nd November 1909.

READ—

Letter No. 3594-3602—Home Department Public, dated the 29th September 1909, from the Officiating Deputy Secretary to the Government of India to the Chief Commissioner of Coorg.

In connection with the orders conveyed in the Home Department $\frac{\text{letter No. 781}}{\text{endorsement No. 782-789}}$, dated the 26th February 1909, questions have been raised as to (1) whether it is the intension that a native soldier on leave should not be eligible to obtain a license for arms and ammunition in respect of which he is not exempt; (2) whether the pass to be granted by the Commanding Officer would relate only to arms and ammunition which the soldier possessed at the time when he went on leave, or whether it would extend to arms and ammunition which he might subsequently purchase; and (3) whether dealers will be at liberty to sell arms and ammunition up to the amount covered by such a pass.

2. With reference to the first question, I am to invite attention to paragraphs 686-693 of the Army Regulations, India, Volume II, and to explain that although there is nothing in the Arms Act and Rules to render a native soldier on leave ineligible for a license for arms and ammunition other than those covered by the pass granted by his Commanding Officer, yet, since the possession or obtaining of such arms constitutes a breach of the Army Regulations quoted, it is desirable that such applications for license should invariably be refused by District Magistrates and other authorities invested with the power to license. I am to request that all licensing authorities may be instructed in this sense.

3. As regards the second question, I am to say that the Commanding Officer's pass is intended to cover only those arms which were in the soldier's possession at the time of his quitting his regiment on leave and that the pass does not cover arms purchased subsequently. That this is the intention is clear from paragraph 686 (*e*) of the Army Regulations, India, Volume II, which requires the Officer Commanding to satisfy himself, on the soldier's return from leave, that the arms covered by the pass have not been changed. Under Army Regulations, India, Volume II, paragraphs 686, 687 (i) and (iii), a soldier is restricted to a certain maximum quantity of arms and ammunition, and if the quantity covered by the pass granted by his Commanding Officer on his proceeding on leave is less than the prescribed maximum, he may only purchase additional arms and ammunition up to that maximum with the written permission of "competent authority," *i.e.*, his Commanding Officer. From this it follows that the reply to the third question is that dealers cannot sell arms or ammunition to native soldiers on the strength of the Commanding Officer's pass up to the quantity specified therein unless a special authorisation is produced for each such purchase.

4. I am to request that, with the permission of $\frac{\text{the Governor in Council}}{\text{His Honour the Lieutenant Governor}}$ these orders may be communicated to the dealers in arms and ammunition and to all other persons concerned.

No. J. 1387-97—POLICE 81-09-2, DATED BANGALORE, 22ND NOVEMBER 1909.

ORDER THEREON.—Ordered that the above be printed and circulated to the District Magistrates, the Inspector-General of Police in Mysore, the Registrar of the Chief Court and the Chief Commandant, Mysore State Troops, for information and guidance.

1. Government Proceedings No. 217-8, dated 21st July 1909, countersigning and forwarding to the Comptroller for audit, the measurement list for Rs. 258 on account of repairs executed to the Sri Narasimhadevaru temple at Narsipur in the Yedahalli Sub-Taluk.

2. The following letter No. 1927, dated 11th October 1909, from the Comptroller to the Government of Mysore:—

"Adverting to Government Order No. 217-8—Muz. F. 47-09-2, dated the 21st July 1909, forwarding for audit a measurement bill for Rs. 258 on account of repairs to the Sri Narasimhadevaru temple at Narsipur, I have the honor to state that in Government Order No. 3910-11, dated 13th March 1908, an estimate for Rs. 500 was sanctioned for repairing the said institution and that the charge was directed to be met from the marginally noted sources. The sum of Rs. 174 contributed from the State grant of 1907-08 was credited to the funds of the institution in the accounts of this office and the same intimated to the Deputy Commissioner, who was requested to recover the promised contribution of Rs. 150 and credit it into the Treasury under Muzrai Funds as also the sum of Rs. 176 already paid by the devotees. No reply was, however, received to the above.

	Rs.
Contribution paid by the devotees ...	176
Contribution promised by them ...	150
From State grant adjusted in March 1908 accounts	174
Total ...	500

The bill received with Government Order quoted was returned to the Deputy Commissioner unaudited, requesting him to intimate the number and date of the voucher on which the sum of Rs. 80 shown as already paid was drawn and if the contribution promised by the devotees has since been recovered.

In reply to the above, the Deputy Commissioner reports that the sum of Rs. 80 referred to was drawn by the Amildar from the Savings Bank deposits and advanced to the contractor. This payment, made by the Amildar on his own authority without obtaining either Government sanction or instructions from this office, is contrary to rules. Further, this irregular procedure does not appear to have been brought to the notice of Government while submitting the measurement bill for countersignature.

As regards the recovery of the promised contribution it is reported that Rs. 30 are irrecoverable owing to the death of a devotee who promised to pay it.

I request therefore that you will be so good as to point out the source from which the deficit, *viz.*, Rs. 30 may be met.

I may also add that a sum of Rs. 26-1-1 has been realised as interest on the contribution realised and deposited in Savings Bank up to date of its credit to Muzrai Funds, and this amount is held at the credit of the institution in question."

No. 1273-81—Muz. F. 47-09-4, dated Bangalore, 18th November 1909.

Order thereon.—As a sum of Rs. 26-1-1 realised as interest is available to meet the deficit of Rs. 30 and as the contributions from the devotees and from the State grant of 1907-08 seem to have been credited to Muzrai Funds, Government are, in modification of their Order No. 3910-11, dated 13th March 1908, pleased to direct that the amount of the estimate be met from the following sources:—

	Rs.
From the surplus funds of the institution	496
From the State grant of 1909-10	4

2. Government agree with the Comptroller in the view that the Amildar was wrong in having operated upon the Savings Bank account on his own authority. The practice of depositing in Savings Banks the surplus funds of Muzrai institutions should be discontinued.
